2024

WHO WE ARE

Washington Prodigy Women's Tackle Football team is a member of the highly renowned Women's National Football Conference (WNFC).

Washington Prodigy was formed in 2012 by veteran football players and coaches with the goal to provide an environment focused on high-quality training, respect, and professionalism that benefits female players of all skill levels.

The Prodigy is a volunteer run, 501(c)(3) non-profit organization.

OUR MISSION

To build and maintain a highly visible program which fosters the overall development of female athletes desiring to participate in competitive tackle football, while also serving as a source of pride for the Washington Prodigy and the DC Metropolitan Area.

We want to empower young women to pursue their athletic passions while contributing to the community through visibility, partnership, and service.

WOMEN'S NATIONAL FOOTBALL CONFERENCE

OUR LEAGUE

The WNFC features 17 teams, playing a 10-week spring season that starts on April 6, 2024. Each team plays six games (3 home, 3 away). The season culminates with the championship game in late June.

The league has a multitude of local and national sponsors, some of whom are listed below.

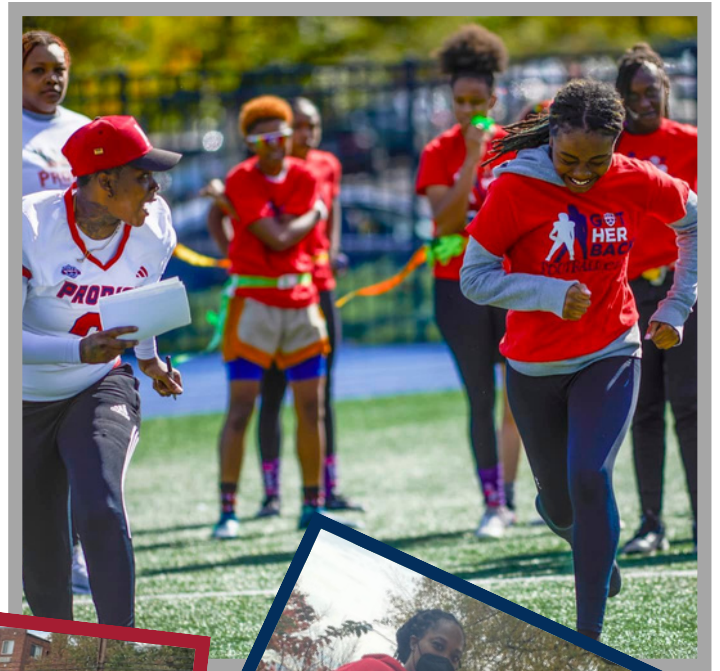

NATIONAL PARTNERSHIPS

IN THE COMMUNITY

We are fiercely committed to community service, and love giving back to the local community. We have volunteered with NFL Play60, Anacostia Watershed, Boys and Girls Club of Greater Washington DC, DC Toys 4 Tots, Virginia Panthers Youth Football, Capital Pride, Alexandria Fire Department, and a host of other schools and service organizations. Our goal is to continue making an impact on and off the football field.
